Speciality products

SY4434
No fire snow

SY4434 No fire snow – No Fire Snow this fine texture pure acrylic stain is often used as the background to stain design work. It is often used to create the look of snow on top of glazed Christmas tree branches. This product may be sponged over fired glazes

SY4435 Shade it – Shade-It is primarily used as an extender for non fired product such as Gare's opaque acrylic stain line to create smoother brushstrokes. It may also be used as a media for marbleizing

SY4437 Krakkle it – Krakkle-It is a non fired product used to create the look of aged painted surfaces. It is used over an acrylic stain, but must also have an acrylic stain applied over it to work.

Sprays

- G5200 – Gloss spray
- G5205 – Matt spray
- G5215 – Super gloss spray
- G5220 – Porcelain touch spray
