## Standardvilkår for kjøp av varer fra Waldm. Ellefsen AS

- Priser**

Alle priser er eks. mva, fritt fra vårt lager hvis intet annet er avtalt. For emballasje av glass for transport med befrakter, påkommer omkostninger til emballasje etter kostnad. Eventuelle utgifter til frakt kommer i tillegg. Vi tar forbehold om justeringer av prisene i prislisen uten forvarsel.
- Kunderegister**

Adresseopplysninger for kunder registreres for å gi god service og korrekt administrasjon. Personlige opplysninger behandles i samsvar med gjeldende lovgivning om personopplysninger, og vil ikke bli videreformidlet til andre.
- Leveringsbetingelser**

Dersom varene ikke skal hentes av kjøper, sørger WE for å inngå nødvendige avtaler for å få varene transportert iht. kjøpers instruksjoner. Uten spesielle fraktinstruksjoner fra kjøper, velger WE selv den transportmåte vi anser som best egnet.
- Transportskader.**

Transportskader skal ikke innebære skade for kunden. Kunden må derfor inspisere både emballasje og gods i nærvær av transportør og notere synlige transportskader på fraktbrevet ved mottak av varene. Kjøper skal be transportøren signere for skadene. Kjøper skal deretter selv snarest melde fra til WE om skaden, og senest innen 7 dager.
- Reklamasjon**

Reklamasjon kan gjøres gjeldende etter norsk lov og eventuelle produsentbetingelser med de modifikasjoner som følger av disse standardvilkårene. Kjøper skal undersøke varen ved levering. Dersom kjøper anser at det foreligger en mangel ved tingen, må kjøper snarest etter at vedkommende oppdaget eller burde ha oppdaget mangelen gi WE melding om reklamasjon. For andre enn forbrukere er den absolutte fristen for å reklamere 7 dager for slike skader. Ved reklamasjon må vår daterte faktura fremlegges.
- WE´s krav ved kontraktsbrudd fra kjøperens side.**

Dersom kjøper ikke betaler eller oppfyller sine øvrige plikter etter avtalen eller loven kan WE blant annet heve kjøpet – også etter at kjøper har mottatt varen. Utenfor forbrukerkjøp gjelder dette uansett om kjøpers kontraktsbrudd er vesentlig eller ikke.
- Returrett for forbrukerkjøper ved fjernsalg.**

Forbrukerkjøpere har ved fjernsalg 14 dagers returrett fra den dagen varen mottas. Kjøper må snarest – og innen 14 dager - gi melding til WE dersom angreretten skal benyttes. Produktet må være i samme stand og mengde som ved levering, herunder må originalemballasje være intakt. Forbruker returnerer varene snarest og dekker kostnadene ved retur. Avtalen vil dermed anses bortfalt, og kjøper vil motta kjøpesummen i retur innen 14 dager etter at varen er mottatt av WE. Ved spesialbestilte eller tilvirkede varer påbegynner WE tilvirkningen snarest, og angrefristen begynner å løpe ved avtalens inngåelse. Forbruker skal betale for utført arbeid og medgåtte materialer dersom angreretten benyttes.
- Betaling.**

Varene betales kontant ved avhenting, forskuddsbetaling, ved postoppkrav eller pr 20 dager netto. Ved oversendelse av faktura vil generell kredittvurdering kunne foretas. Det beregnes kr 50,- i ekspedisjonsgebyr med tillegg av forsendelses- og returkostnader dersom varene ikke betales kontant ved avhenting eller ved postoppkrav. Ved forsinket betaling påløper forsinkelsesrenter pr. måned på utestående beløp. Ved kjøp av maskiner eller ovner er vi også behjelpelige med å inngå avbetalingsavtale. Ved slike kjøp gjelder kredittkjøpsloven, og forbrukerkjøpere må betale minst 35 % av varens kontantpris dersom (a) varens kontantpris overstiger 10 % av grunnbeløpet etter folketrygdloven, og (b) kreditten gis for mer enn 30 dager regnet fra utløpet av leveringsmåneden.
- Eiendomsforbehold/salgspant.**

Ved kjøp på kreditt forbeholder vi oss eiendomsrett/salgspant i varen for kjøpesummen og WE´s omkostninger inntil dette er betalt. WE kan således blant annet ta tingen tilbake ved betalingsmislighold dersom (a) minst 1/10 av kredittkjøpsprisen eller minst to avdrag eller restgjelden ikke er blitt betalt en måned etter forfall, eller (b) kjøperen utsetter pantet for vesentlig fare. Kjøper kan ikke disponere over varer som er beheftet med salgspant/ eiendomsforbehold uten etter samtykke fra WE eller salgspanthaveren.
